- **Corporate Membership**
- **Affiliate Membership**
- **Individual Membership**
- **Retiree Members**
- **Life Membership**

A table of member benefits may be found by clicking here for the :: [Membership Benefit Overview Table](#) ::

● **Principal (Founding)Membership:**

- Principal Membership is open to all constituents who are materially involved in the Ontario Energy Industry. Principal Member organizations shall be entitled to one Directorship on the OEN Board. The Director shall be nominated by their Founding Member organization.
- This category provides an unprecedented opportunity for organizations materially involved in the Ontario energy industry.
- The Board manages the affairs of the organization and may at their discretion nominate officers and additional Board Members, to represent other stakeholders from the membership.
- The OEN Board of Directors will consist of approximately 10 Members. Each will contribute a one time Principal Member fee. Thereafter Principal member fees the annually fee will be the same as the Corporate Membership category.
- Principal Membership shall be by invitation of the OEN Board.
- The OEN Board of Directors, Officers and their respective organizations may be found at the end of this section.

● Affiliate Membership:

- Affiliate Membership may be available to Clubs or Groups which can demonstrate a material interest and involvement in the Ontario Energy Industry.
- Affiliate Member organizations must represent diverse segments of the energy industry within their own membership base.
- Affiliate Membership status requires a predetermined number of Member Companies as set out by the OEN Board.
- Invitation by the OEN Board and a commitment to Principal Member status and associated obligations are prerequisites.

Details of member benefits may be found by clicking here :: [Membership Benefit Overview Table](#) ::

● Individual Membership:

- Individual Membership will be open to all constituents who are materially involved in the Ontario Energy Industry. This category has been established specifically to accommodate small organizations.
- Individuals are eligible to join the "OEN" by filling in the appropriate membership information on the "OEN" web site under "Individual Membership". Membership benefits listed apply to members in good standing.
- Individual Membership is restricted to small organizations with fewer than 5 employees and / or less than \$ 1 million in revenues.

Details of member benefits may be found by clicking here :: [Membership Benefit Overview Table](#) ::

● Retiree Members:

- Retired Members of Founding, Corporate, Affiliate or Individual Members, in good standing with the Ontario Energy Network or retired executives for the energy industry may be eligible to receive a complimentary "Retiree Membership" status. Membership registration may be made by filling out the "Retiree Membership" application form online at the "OEN" web site. The only restriction in this category is that the individual not be gainfully employed. Membership registration information is available by contacting David Reid at david.reid@ontarioenergynetwork.org
